3<sup>rd</sup> Annual

Halloween Parade

Sunday, October 29 at 4pm

At Henry Fine Park

Kids should be in costume and bring their treat bag with them.

Adults -- Please join the fun in costume!

Bring the Whole Family!!!

## Kiwanis Band Concert, Bike Rally Brighten Summer

The Pinecrest Neighborhood Association sponsored two successful events over the summer. More than 50 residents of all ages attended a picnic in Henry Fine Park on a lovely evening June 29th. The East Lansing Kiwanis Community Band, some 30 members strong, entertained with a rousing pre-Independence Day concert. Attendees enjoyed a picnic dinner of hotdogs and a fine array of potluck dishes, with ice cream for dessert. We also thank Around-the-Town Clowns for donating their time to entertain the small children in attendance.

A sunny July morning turned out to be the perfect day for a bike rally through the Pinecrest Neighborhood. After decorating our bikes and strollers with supplied streamers, ribbon, and other embellishments, East Lansing Police Officer Ryan Kuhn led about 18 cyclists and strollers through the streets of Pinecrest on his motorcycle. There were balloons, bike safety tips, stickers, and snacks waiting for everyone at the finish. *See the pictures of the picnic and bike rally displayed at the Halloween Parade!*

Both the picnic and the bike rally are being planned for Summer 2007. If you live in Pinecrest and can make a dish, a few phone calls, or encourage neighbors to attend, you can help bring Pinecrest neighbors together for the picnic or bike rally. *Sign up at the Halloween Parade!*

## Diane Goddeeris chosen to fill Meadows' City Council Seat

Pinecrest Neighborhood resident Diane Goddeeris was selected from among 12 well-qualified applicants to fill the East Lansing City Council seat vacated by former mayor Mark Meadows, who is running for State Representative. Diane has previously been president of the Tamarisk Neighborhood Association, a member and chairperson of the East Lansing Planning Commission, and recently a member of the city's Comprehensive Plan Team. *Meet Diane at the Halloween Parade!*

### Email

We are also seeking to compile an email list of neighborhood residents, so that we may send the newsletter and other announcements by email to as many members as possible. We promise that when we send emails the list of addressees will not appear, and we will not publish the list. If you would like to be added to our mailing list, please send a message to John Goddeeris (332-6489 or [goddeeri@msu.edu](mailto:goddeeri@msu.edu)).

### Website Update

The Association website is in the process of moving to a new host. We are also looking for a volunteer to take charge of maintaining the site. We do not anticipate major changes, and posting newsletters, pictures taken at events, etc. should be fairly routine. So this may not be too onerous for someone with a little technical knowledge (which seems to rule out the Association officers). Anyone willing to volunteer should contact John Goddeeris (332-6489 or [goddeeri@msu.edu](mailto:goddeeri@msu.edu)).
